## TOUCH-FREE

PMeasy Touch-Free is a contactless Single Sign-On, Print, Copy, Scan & Fax solution. It allows organizations comply with social distancing guidelines and helps mitigate the spread of the COVID-19 Coronavirus.

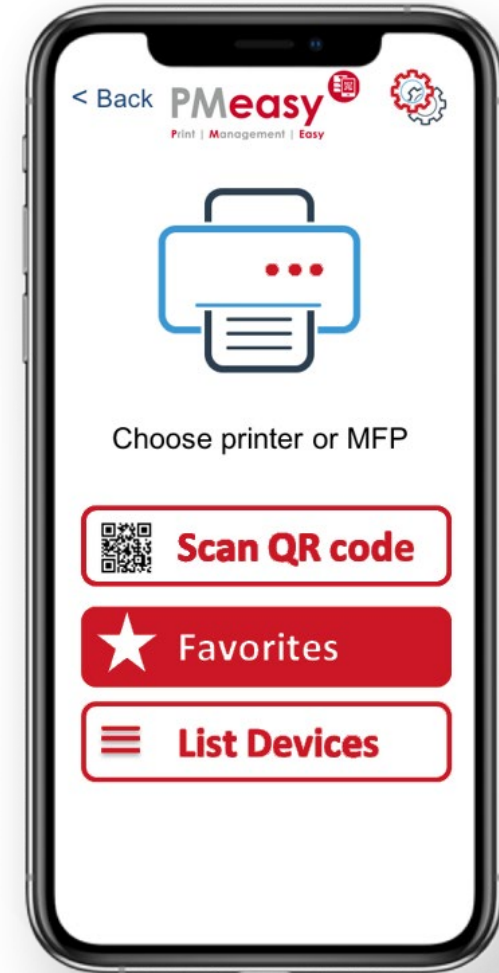

## Key Features

- Single Sign-On for your MFP
- Access MFP services from the safety of your own device – Print, Copy, Scan & Fax
- Avoids the need to touch the MFP control panel
- Securely release print jobs at a device of your choosing
- Automated Scan-to-Me workflows
- Supports other contactless authentication methods, such as ID Cards / security access badges
- Full auditability through comprehensive usage tracking

# Touch-Free Single Sign-On

- Scan QR code published on the MFP panel with camera
- Select MFP from list of Favorites / recently used devices
- List all available MFPs
- Works in conjunction with ID Card readers at MFP

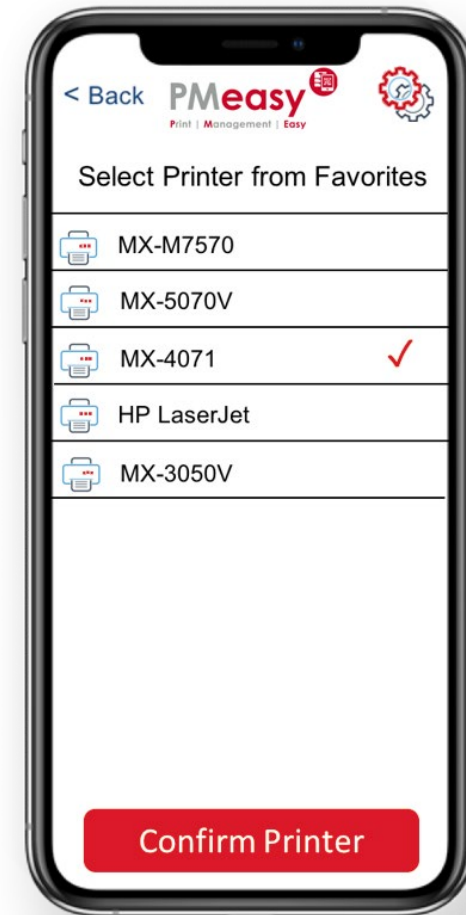

**Scan the QR Code published on the MFP control panel to log-in**

# MFP Authentication

**or**
